Bulletin 691

9 September 2016

Dear Colleagues,

Prison Service Pay Review Body - Evidence

Members will be aware that annually at this time of year the PGA submits written evidence to the Prison Service Pay Review Body (PSPRB).

Following last year's Annual Conference's mandate to continue to engage with the PSPRB, that evidence is currently being prepared and the National Executive Committee thought it appropriate to ask the membership how they would like to see the arguments developed this year?

As is now the "norm", the Government has restricted the amount of any potential pay rise to 1% of the total pay budget.

How would you like to see the PGA bid for a share of this money? Simply one percent for everyone, targeted awards for certain groups or pay-bands of staff, how would you support colleagues on closed grades, etc.?

Last year's evidence is included with this bulletin to illustrate previous arguments.

Any suggestions/thoughts should be emailed back to the office where James will collate them and forward them to Dave Hoskins who leads on this work.
